SHEN WEI **DANCE** ARTS

RSVP by November 10

On 8.8.08, the world watched as modern dance took center stage at the Olympic Opening Ceremonies with movement inspired by Shen Wei's landmark work, *Connect Transfer*. This December, Shen Wei returns home to lead his company in the Gala Opening of *Connect Transfer II*—reimagined for a tour of modern art museums—at the historic Judson Memorial Church.

Virtuosic, explosive, utterly unpredictable...Dancers emerge onto a stark white canvas, immersed in liquid color, "whirling between heaven and earth at every possible angle" (*Los Angeles Times*). Forty-five minutes later: a manifesto in paint revealed. Immediately following each performance, Shen Wei scores that canvas for auction. Gather near, bid, and take home a piece of living art. [Join us for this absolutely unique evening.](#)
